HDAA Privacy Policy:

Your Privacy Is Important: This is The Hamilton and District Apartment Association's ("HDAA's") privacy policy. This will explain HDAA's policies for the collection, use and disclosure of personal information. We are committed to collecting, using and disclosing personal information responsibly and only to the extent necessary for the goods and services we provide. **What is Personal Information?:** Personal information is information about an identifiable individual. Personal information includes information that relates to their personal characteristics (e.g. gender, age, income, home address or phone number, family status), their health (e.g. disabilities) or their activities and views (e.g. religion, politics opinions expressed by an individual, opinions about an individual). Personal information is to be contrasted with business information (e.g. an individual's business addresses and telephone number), which is not protected by privacy legislation. **The Information We Collect:** HDAA collects contact information by various methods including but not limited to information actively provided by its members, potential members, corporate sponsors, advertisers, board members and committee members. The types of personal information HDAA collects includes but not limited to name, mailing address, telephone number, fax number, identification information and special needs information. **How We Use This Information:** The information HDAA collects is used for customer service, communications, accounting, billing, collections, goods and services, distribution of HDAA's publications and membership directories. HDAA may use aggregate or anonymous information that will not be directly linked to identify individuals for various other uses for itself and third parties.
